About Us

United Welsh is an award-winning not-for-profit organisation providing homes and related services in South Wales. We are passionate about building homes, creating communities and transforming lives.

We look after over **6,700 homes** for people across **11 local authority areas**, and our services help thousands more in our communities.

Helping people to live happily and in good health is important to us, and we are proud to have been named fifth best landlord in the UK.

We have a new building programme that is worth around **£55m** each year and in the next five years, we intend to build **1,300 more homes**.

We are ambitious about how we can help people to live their best lives, working with a range of partners including local and national government and the NHS to give people choice; tackling poverty, improving wellbeing and playing our part in ending homelessness.

The Group includes our repairs and maintenance service Celtic Horizons; timber frame home manufacturer Celtic Offsite and Harmoni Homes Ltd, which builds affordable homes and homes for sale.

With over **400 employees** and a turnover of over **£40m**, we are an ambitious organisation with a strong sense of social purpose.

Life at United Welsh centres around our culture. We live by our values which connect us and inspire us, guiding our strategies as well as the decisions we make day to day.

Job Profile

Property Data Officer

Reporting to
Senior Property Officer

Broad purpose of the post

We have an exciting opportunity to join our Asset Management and Sustainability team as a Data Property Officer.

Our Asset Management team make sure that we invest efficiently and effectively in improving and maintaining the homes we own, and commission and monitor our contracting partners who deliver around £20m of works each year.

This role involves maintaining and developing the team's database, helping to enable the development, procurement, monitoring and review of asset investment programmes.

You'll obtain and maintain data relating to new build handovers, stock condition, Welsh Housing Quality Standards (WHQS), retrofit surveys, decarbonisation and building safety works and more.

You'll also oversee the process of data collection related to recovering Feed In Tariff from around 950 legacy PV systems and maximising this income stream by ensuring records are kept up to date between the agencies involved.

If you have excellent project management skills and are highly organised, we'd love to hear from you.
