#### 2 | CUSTOMER

1

The service areas set the customer outcomes we are collectively working to achieve. This role will primarily contribute to the successful outcome of the following service areas but will obviously support all areas as required. See #4 Deliver for full details.

| Primary Service Areas:             | Outcomes:  |  |
|------------------------------------|--|--|
| SA/01 – Letting                    | All properties let, all of the time                            |  |
| SA/04 – Maintenance                | Fix issues to the customers satisfaction                       |  |
| SA/05 – Shared Spaces Management   | Our shared spaces are clean, well-kept and safe environments   |  |
| SA/06 – Compliance Works           | All properties are compliant with the legislative requirements |  |
| SA/07 – Planned Improvement        | Improvement programmes delivered to the customers satisfaction |  |
| SA/11 – Strategic Asset Management | Maximise our asset investment                                  |  |
| SA/24 – Major Repairs              | To maintain asset value over the longer term                   |  |

#### Primary responsibilities for the above outcomes:

Lead the compliance team in the delivery of effective and first-class statutory and non-statutory landlord health and safety compliance programmes, in-line with legislative and regulatory requirements, ateb policies, procedures and SAM Improvement Strategy, providing great customer experience that meets expectations. To include:

- Managing the compliant and effective delivery of Service Area outcomes by setting team objectives, allocating and motivating team resources effectively
- Embedding within the team the DNA and Service Delivery Plan philosophies.
- Management of reporting team in accordance with policies and procedures of the Group including setting and monitoring of individual objectives and motivating the team to achieve successful customer outcomes.

Actively using the @ateb leading and supporting principles at all times

Take lead responsibility for managing the outcome and effectiveness of the Compliance and SA/06
service area and its ongoing development and work with others to support the interdependent
Property Team service areas, always promoting Customer Outcome Management principles.

Ensure that Group wide compliance certification and documentation is received, verified,

3 referenced, and retained by the team against agreed processes and legislative requirements. Prepare performance management reports and data for Service Delivery and Corporate Groups, internal and external audit, and other groups/forums as required.

Act as the Property Team lead to ensure effective and compliant management and development of the Group compliance management technology system and interfaces, company vehicle records

**4** and systems, personal safety devices and systems and monitor and report on service area outcomes, effectiveness, and adverse/positive performance trends. Monitor costs against budget and report adverse variances and trends.

| Ge | General role responsibilities:   |  |  |  |
|----|--|--|--|--|
| 1  | Support all other service areas as appropriate/directed to achieve their outcomes where they require my input.           |  |  |  |
| 2  | Continually review my service area outcomes to ensure they achieve the right customer outcomes as effectively as we can. |  |  |  |
| 3  | Consistently demonstrates values of equality and diversity.  |  |  |  |
| 4  | To take responsibility for my ongoing personal development.  |  |  |  |
| 5  | To undertake any other duties as required which are compatible with the requirements of the post.                        |  |  |  |

#### 3 | GROUP

ateh

Creating better **Living Solutions** 

This role has the following corporate responsibilities:

| Service Area  | Customer Outcome   | Responsibility   |  |
|---|--|--|--|
| SA/17 – Strategy Clarity on how we will maximise our purpose  |  | Support the Board and EMT to help develop and deliver<br>the right strategic priorities to achieve our strategic<br>aims.  |  |
| SA/18 – Assurance<br>Management   | To be assured we are<br>always compliant and<br>doing the right things                               | Develop and monitor processes to enable empowered decision making within our agreed assurance framework.   |  |
| SA/19 – H&SWe meet our<br>legislative and<br>regulatory H&S<br>requirementsTake personal responsibility to ensure that<br>team abide by the relevant legislation, the<br>organisation's H&S systems and common se<br>I, the public, my colleagues, customers and<br>are safe and secure at all times. |  |  |  |
| SA/20 – PR,<br>Marketing &<br>Communications  | Positive growth of our<br>brand. The right<br>messages to the right<br>audience at the right<br>time | is effective and supportive to all. Promote our work w   |  |
| SA/22 -need to improve,our required outcomes, efficienPerformance &where we are notcustomer experience and plan   |  | Always seek to understand whether we are achieving<br>our required outcomes, efficiently and with great<br>customer experience and plan and deliver improvement<br>and growth where identified through managed change<br>programmes. |  |
| SA/23 –<br>Procurement &<br>Supplier<br>Management  | To ensure we<br>compliantly deliver<br>Value for Money<br>services                                   | Make sure my team abides by the procurement rules<br>and systems established by ateb. Make sure that any<br>procurement required achieves the right outcomes.  |  |

#### 4 | PERSONAL

This role will require the following personal attributes, qualifications, skills and experience etc.

| Attribute                | Requirements  |  |
|--------------------------|---|--|
|                          | This is what we would like you to have, but we are happy to hear how you feel your experience, skills and knowledge meet the role requirements.   |  |
|                          | Extensive operational management experience in a building asset compliance,<br>building services management, facilities management, construction, maintenance or<br>property services related role and being highly proficient in using and understanding<br>data and information technology systems to ensure safe and compliant outcomes.   |  |
| Technical<br>Competency  | A level 4 qualification in a building asset compliance or facilities management related discipline, a relevant degree, diploma or extensive equivalent experience and other qualifications that show the required level of technical competency has been achieve is essential. If you do not meet this requirement then you will be required to study for and complete your qualifications. During this time you will receive a development level salary at 90% which we will discuss with you.   |  |
| competency               | Due to the remit of this role a recognised Health and Safety qualification is also required e.g., Minimum NEBOSH Certificate and experience of managing the operational and H&S requirements of site and/or office-based teams, and a level 4 management qualification and a fire safety qualification would also be great.   |  |
|                          | And another thing we will always look at equivalent qualifications, experience or transferable skills and expertise that can be easily applied to the role. We will also consider the ability of formal qualifications to be obtained whilst in the role subject to the latter factors being achieved, timescale and cost. Everyone at ateb must be able to demonstrate a reasonable level of literacy and numeracy to be able to fulfil our roles, for us that usually means achieving success at GCSE/Key Skills or equivalent qualifications, but we are happy to discuss this with you. |  |
| Decision<br>making       | Make decisions using professional or technical judgement; to resolve problems, assess risk, and understand impact on the Group and its customers.   |  |
| People<br>management     | Willing to learn from others and share own experience and knowledge. Let team members know what is expected of them. If a line manager uses departmental goals to develop meaningful objectives for the team. Gives timely feedback on performance and maintain positive working relationships within the team to achieve high performance, challenging others when this is not achieved.   |  |
| Team working             | <b>g</b> Need to create the right environment for teamwork to thrive both internally and externally. Be able to lead and participate in teams effectively   |  |
| Financial control        | Sets, monitors, reviews and reports on the budgets relating to the areas of responsibility, will also be able to be responsible for any purchasing required.  |  |
| Organisational<br>skills | Will be able to effectively set own work plan and prioritise key tasks, supervising teams' work plan as required.   |  |
| Innovation               | Must show a desire to improve and challenge what we do to constantly improve our service outcomes as effectively as we can. Identifies, plans and implements improvements within the team which support service delivery.   |  |

| Customer<br>service                | Provide a great customer experience both internally and externally. Demonstrate the important of customer service to team and colleagues by always putting the customer first.  |  |  |
|------------------------------------|---|--|--|
| Project /<br>process<br>management | Project management improvements within own and others service areas to ensure<br>the desired outcomes are achieved. Takes responsibility for achieving individual<br>objectives and contributing to team and group projects.  |  |  |
| Enthusiasm                         | Self-starter bringing personal drive and positive attitude to help all find solutions to problems. Be able to promote our DNA at all times.   |  |  |
| Technology<br>Competency           | Confidently use and develop ICT systems to deliver and improve my service delivery.<br>In particular, have good working knowledge of typical software solutions relating<br>to my area of expertise and level of responsibility. Be able to make the best use of<br>the Microsoft 365 & Office suite and usual business communication devices and<br>systems. |  |  |
| Comms / PR /<br>Marketing          | Be able to promote good communication throughout the organisation (verbal, written, face to face) ensuring teams are involved, informed and engaged at all times. Ability to speak Welsh would be great.  |  |  |
